Dyslexia is a problem that effects people of all ages and with your support we are able to provide help to the kids in our state. A class was recently opened in our area to help the kids in our community.

There are two programs for children who are dyslexic. One program, which is for two years, is for children in grades 4-6 and have not reached their 13th birthday. The other program, which is for one year, for children in grades 7-11 and are 13 years and older. Basic cursive (script), reading, and writing are required. Classes are held Monday - Friday after school and parents provide transportation to and from.

For further information please visit: www.la-mason/dyslexia.htm or call the Masonic Learning Center of Louisiana at: 318 487-4986 or 318 443-5610.

Please come out and join us for our 1st annual golf tournament to be held at the beautiful LaTour Golf Club in Mathews, La. If you can't join us, please consider helping us in any way possible. Sponsorship forms are attached.

By bringing our annual fundraiser to a bigger stage we hope to include local support as well as support from others outside our community and across the state. By doing this we hope to provide a fun time to our supporters and increase our continued success in raising funds for our great charity.

Thanks

Jay Pitre, Tournament Coordinator

Lonny Babin, Tournament Chairman
